

IN PARTNERSHIP WITH

FOOD VENDOR APPLICATION

We are seeking food vendors for the 14th Annual Vicki Soto 5k on November 7, 2026.

The Vicki Soto 5k, a memorial walk/run and family fun, will be held at the Hartford Healthcare Amphitheater in Bridgeport, CT. Vendors can be set up the night before the event on November 6, 2026. Vendors will not be allowed to enter the complex after 7 a.m. on November 7, 2026. Serving will start at 10a.m. and last until approximately noon on race day. Please understand that no trucks or vendors will be allowed to leave during the race.

In past years, we have had a significant turnout of approximately 2000-3000 participants, but we do not expect you to cater to every individual. There will be multiple vendors onsite providing an array of food options. Our experience has shown that a smaller selection of easy-to-prepare, ready-to-serve menu items has been successful in managing crowd lines and offering a quick food turnaround. Smaller sized portions or bite-sized items are suitable as well. We kindly require all food be distributed without cost; no items for sale. We will provide advertising and promotion of your in-kind donation on our social media, race website, and day of race to highlight your generous contribution.

Name: _____

Company Name: _____

Address: _____

Phone#: _____

Email: _____

What size truck do you have? _____

What kind of hookup will you be using?

Generator ☐

Venue power ☐

No power needed ☐
